

Engineering, Industrial Services & Associated Technologies

Week Ending: 16 February 2024

Significant Announcements During the Week:

- Orica (ORI-AU) has completed their stage 1 surplus land sale at Deer Park, Victoria, inclusive of 66 hectares (approximately half of Orica's surplus Deer Park land holdings), to Uni Super for A\$260M.
- Mineral Resources (MIN-AU) are considering the sale of a 49% stake in their pitto-port haul road, which links the Onslow Iron project at Ken's Bore mine to the Port of Ashburton on the west Pilbara coastline.
- Incitec Pivot (IPL-AU) has kept the interest of Senex Energy for their fertiliser unit, however there are concerns that Australia's Foreign Investment Review Board may be sceptical of the sale of Australia's largest fertiliser business.
- ALS (ALQ-AU) has appointed Nigel Garrad as deputy chair at their 2024 AGM, effective immediately, after he was appointed to the ASL board in June 2023.

Edition Number: 520
